SANDRA
"The best adhesive I've ever had. It doesn't sting my clients at all. I highly, highly recommend it!!"

SÁRA S.
"The best adhesive. It creates a high-quality bond, so the lashes hold perfectly. TOP for me."

DANIELA Š.
"I spent a long time looking for an adhesive that would be easy to work with while also creating a strong, long-lasting bond, and this adhesive meets both requirements 100%."

EXPERT

- **ABSOLUTE BESTSELLER**
- Drying time: 1 s
- Recommended working temperature: 19-23 °C
- Recommended working humidity: 40-60%

SÁRA Š.
"I'm very satisfied. It's lovely to work with and, most importantly, it holds beautifully. The price is very favourable too, and delivery is fast"

LENKA F.
"I'm completely satisfied. It holds perfectly and I'll definitely order again."

HANA M.
"In the colder months, definitely reach for this adhesive. It's extra black and excellent to work with. I'm extremely satisfied."

PROFI

- **PRODUCT OF THE YEAR 2023**
- Drying time: 0.8 s
- Recommended working temperature: 19-23 °C
- Recommended working humidity: 40-60%

ANDREA N.
"I have to say that after using this adhesive, my girls come back for infills with almost all their lashes still on. Incredible retention. I searched for a professional like this for a long time. Couldn't be happier!"

LUCIE V.
"The adhesive really does what it promises. It doesn't irritate clients and the retention is excellent. Thank you!

GENTLE

- Drying time: 0.8 s
- Recommended working temperature: 19-23 °C C

ADHESIVES

CLEAR 0,3 S

- **UV ADHESIVE**
- Curing time: 0.3 s - for fast, smooth application
- Transparent formula - without black pigment
- Ideal for brown and coloured lashes too
- Odourless

WHEN THE LASH SHOULD BE SEEN. NOT THE ADHESIVE.

MARKÉTA V.
“One of the best adhesives I’ve had the opportunity to try. It’s neither too runny nor too thick - simply the ideal consistency to work with. It doesn’t build up unnecessarily on the lash when dipped and it cures extremely quickly. It has definitely become a permanent part of my kit.”

VALERIE V.
“I love working with this adhesive. Application is fast and comfortable. I’m very satisfied so far and will definitely continue using it.”
