pH: 2.75

Registered in the CPNP.

LAMI BLOOM

KEY INGREDIENTS AND THEIR BENEFITS:

Plant Keratin (Wheat Protein) – Contains amino acids similar to human keratin, strengthens the hair structure, improves elasticity and shine, and helps restore the hairs after the chemical process of a lash lift.

Apple Stem Cells – Support cell renewal and help protect against damage, while helping to slow down the ageing of hair follicles.

Aloe Vera – Soothes, hydrates, and adds softness to both lashes and the skin.

Argan, Jojoba and Castor Oils – Nourish and regenerate the hairs, support their growth and natural shine, and leave lashes and brows soft, strong, and healthy-looking.

Ingredients:

Aqua (Water), C12-20 Acid Peg-8 Ester, Glycerin, Cetyl Alcohol, Ahnfeltiopsis Concinna Extract, Argania Spinosa Kernel Oil, Caprylic/Capric Triglyceride, Ricinus Communis Seed Oil (Ricinus Communis (Castor) Seed Oil), Simmondsia Chinensis Seed Oil (Simmondsia Chinensis (Jojoba) Seed Oil), Panthenol, Hydrolyzed Wheat Protein, Aloe Barbadensis Leaf Extract, Sodium Hyaluronate, Malus Domestica Fruit Cell Culture Extract, Benzyl Alcohol, Phenoxyethanol, Tocopheryl Acetate, Tetrasodium Glutamate Diacetate, Ethylhexylglycerin, Citric Acid, Cetrimonium Chloride, Tocopherol, Xanthan Gum, Lecithin

pH: 6.5–7

Registered in the CPNP.
